

Albertsons, Ralph's, and Food4Less
Shoppers Can Benefit:

Birth Choice of Temecula
"A Voice of Love... A Choice for Life"

Are you looking for a way for you, your family, friends, church or service/youth group to give back to your community-- but you don't have a lot of extra financial resources or time? Do you need community service hours and want to make a difference by saving lives? Birth Choice of Temecula needs your help to find shoppers who have Food4Less, Ralph's and Albertsons key tags or wallet cards, and who are willing to go online to sign up for the Preferred Savings/Community Partners Card to designate contributions to their local pregnancy resource center, Birth Choice of Temecula.

Just go to our website at www.birthchoicetemecula.com and have your shoppers sign up for a new card, or add their current card number at the appropriate store link under "Get Involved." Ensure the shopper chooses Birth Choice of Temecula as their charity of choice. Track the number of hours you spend doing this and tell us who you signed up and we'll give you community service hours for it. You'll be helping the center and informing the community about free pregnancy resource services we offer.

It's simple...the more we sign up...the more donations we get each quarter-- and it costs the shopper nothing. Every bit helps when we're trying to help babies, women and families.

Please help us sign up shoppers at your school, church, business, youth group, bible study or anywhere you can get shoppers to sign up. Anywhere except right outside the stores. Each time the shopper swipes their card at Albertsons, Sav-on, Ralph's or Food4Less, we get a donation from the corporation.

Need more help? See our website and sign up yourself to see how this works. For more information, please call the center at 951-699-9808.

Birth Choice is a non-profit, faith-based 501c3 pregnancy resource center that provides confidential no-cost pregnancy tests, material assistance and community referrals. We also provide pregnancy, abortion facts & alternatives, post-abortion, abstinence and STD counseling. If you or someone you know needs help, please call 951-699-9808.

Thank you for your generosity in helping Birth Choice of Temecula and members of your community choose life for unborn children.
