

At Birth Choice of Temecula, your community service hours save lives!

Help save lives of the unborn by passing these bottle banks to your church, business colleagues, fellow students and neighbors. With your help, we will save babies, help women and families and offer volunteer and community service hours to better our community.

Help us distribute the bottles with our Baby Bottle Boomerang Program.

BABY BOTTLE BOOMERANG *Community Service Hours and Volunteer Project*

Pick up bottles from center 10-4pm., Mon.-Thurs.; Open during lunch
